Next week (8th -12th February 2021) it is National Apprenticeship Week which we are taking part in virtually on our social media channels (Facebook: **Plumbs People** and LinkedIn: **Plumbs Ltd**). This will hopefully give your students and their parents an insight into what an apprenticeship here would look like.

On Tuesday its #askanemployer day which is more about why we have an apprenticeship scheme and the business benefit.

But on Wednesday we have an #askanapprentice day which will allow possibly your students to ask questions directly to one of our current apprentices.

These questions can be sent directly to our social media channel or can be sent to myself at atownsley@plumbs.co.uk.
