This is the homepage for a student account. There is a menu across the top which can take you to the relevant area of your account. E.g. Class Work

Homework can be accessed through the menu at the top of the screen or by the Homework and assignments window

(This is easier to navigate using a tablet or computer rather than mobile phone!)

Unread alerts or communication are displayed in red.

Class Work:

After clicking the Class Work tab from the top menu this screen will appear. It's default view is the current week and any Class Work that has been set by teachers will appear here. Work is set to a specific lesson on a specific day of the week.

In this example you can see that English has been set on Monday, Tuesday, Wednesday and Thursday. These boxes are green because the student has read them. Biology was set on Friday but has not yet been read by the student.

Clicking on a specific lesson e.g. Maths on Monday will show you the work that was set for Monday's maths lesson.

Week Commencing: 28/09/2020

Unread alerts or communication are displayed in red.

The status should change from 'set' once the teacher has collected the work. It could change to 'yes', 'no', 'late' etc.

Some teachers may enter a score or grade on Synergy and this will appear here.

When you click on a homework it will take you to a page like this which shows you the details of the homework selected. You can access previous homework either by selecting the date from the menu on the left or by using the previous button.

The screenshot shows a web interface for French homework. On the left, a sidebar titled 'LESSONS' lists dates from 'Half Term 1' to 'Half Term 6', with '1/10 (Thu 1 P1)' selected. The main content area is titled '1/10 (THU 1 P1) TOPIC:' and contains 'HOMEWORK: FRENCH HOMEWORK'. The homework details include a title 'French Homework', a 'Bonjour!' greeting, instructions to complete a sheet, and a drawing task. A 'SUBMIT YOUR WORK' button is visible at the bottom, with a message stating 'Your teacher has not set this homework/assignment to be submitted online.' Red arrows point from the text above to the '1/10 (Thu 1 P1)' menu item, the 'PREV' button, and the 'SUBMIT YOUR WORK' button.

Title French Homework

Details

Bonjour!

You need to complete the sheet we glued into your exercise books today.

Draw and colour in each person's hair and eyes and then write sentences in French to describe them e.g.

J'ai les cheveux longs et blonds

J'ai les yeux marron.

Remember the colours and adjectives go after 'yeux' and 'cheveux'.

Start numbers 1-4 with j'ai (I have), 5-8 with as-tu? (do you have?) and 9-12 with either il a (he has) or (elle a) she has.

Use the work in your exercise book to help and here is a link to the knowledge organiser too
