Accomplishment... Humility... Service...

Dear Parent/Carer,

We would like to offer pupils the opportunity to purchase some Revision Guides for their studies in DT. The guide we are suggesting is the My Revision Notes: Pearson Edexcel A Level Design and Technology (Product Design) & Essential Maths Skills for AS/A Level Design and Technology: these guides compliment the theory and coursework which we cover in class. The information is well presented, easy to access and contains examples of exam questions. A link to this product can be found below.

<https://www.hoddereducation.co.uk/subjects/art-design-technology/products/general/my-revision-notes-pearson-edexcel-a-level-design>

<https://www.hoddereducation.co.uk/subjects/art-design-technology/products/16-18/essential-maths-skills-for-as-a-level-design-and-t>

We are able to offer this book bundle to you at a discounted cost of **£26** (RRP £31.98). If you would like to take up this opportunity, please complete the online payment via SCOPay. The books will be ordered once payment is received and passed to your child as soon as they arrive. I would therefore be grateful if you could make the payment no later than **Friday 9th December**.

The books are available to purchase using our online payments system, <https://www.scopay.com/login> If you do not have access, please contact the Finance Office (k.wohlman@huttongrammar.org) who will be happy to assist.

Please note, if your child is currently in Year 13, revision guide recommendations and information has previously been shared last year, so they may already have a revision guide.

Regards,
Hutton CofE Grammar School
