Accomplishment... Humility... Service...

Dear parents/carers,

As part of our A level examination in Literature, students will need to answer a 1 hour question on Unseen Love Poetry.

A text I have recommended to my students today is: The Nation's Favourite Love Poems.

This anthology contains a huge amount of poems and would be helpful to students as they can annotate each poem and use their skills to prepare unseen poetry in their own independent study time.

I would recommend this as a brilliant starting point for revision and have attached a link to a large retailer. However, secondhand online platforms such as eBay are selling this at a much lower price with no postage fee.

Any questions, please do get in contact.

Miss Wright.
