Dear Parents/Carers

Following on from last year's success the Hutton Grammar School Association will once again be running a 200 Club as part of our fundraising efforts for the year.

Parents are invited to join the 200 Club for the year by paying for a number in our monthly draws. A payment of £12 gets you one number in each of the monthly draws, £24 gets you two numbers, £36 gets you three numbers and so on.

A draw will take place each month and prizes will be awarded to those drawn in first, second and third place. These will be paid by cheque. 40% of the money collected will be used to fund the prizes for winners and the HGSA will use the remaining 60% to help fund the purchase of IT equipment, furniture, curriculum resources and extra-curricular resources for the school. If you wish to join, please make payment for your number(s) using your SCOpay account. The option to pay £12.00 will appear on your account but if you wish to pay for more than one number then you should enter the alternative payment amount (e.g. £24.00 or £36.00) before checking out.

Payments should be made by 30th October 2022 if you wish to participate and the first draws (for September and October) will take place on Monday 31st October.

We hope you will join up to help us raise money to support the school. We will keep parents updated about how much we have raised and what the money is being spent on via the school website.

Thank you for your support.
