Accomplishment... Humility... Service...

14/09/22

Dear parent/carers,

As geographers and biologists we care about our world, we have a natural interest in the local and the global. We should want to help both to thrive and develop. With this in mind, I am organising a sponsored local litter pick for Sixth Form Geography and Biology students. This will take place on Tuesday 4th October 2022, for an hour after school.

Equipment will be provided, but if students want to bring their own – litterpickers/hivis/gloves, they are welcome to. We will be following a route around the school, and then along Liverpool Road.

I hope that the students enjoy helping their local community and ecosystems. The sponsor money will go towards a development charity, 'Africa Foundation'. This charity help in 6 different African countries, the money will go directly towards educating, assisting farmers, sustainability and conservation. We will get direct feedback from our chosen charity about the wildlife conservation.

I ask that all A Level students try to raise money through sponsorship, even a small amount will help. <https://www.justgiving.com/fundraising/sixth-form-hutton-grammar-school>

Yours sincerely,

Miss Michelle Monaghan
Geography Teacher

Geography Litter Pick

Student's Name: _____

Form: _____

Phone Number: _____

I give permission for _____ to participate in the Litterpick on the 4th October 2022.

Signed: _____

Date: _____
