

# Hutton

Church of England Grammar School  
and Sixth Form

Head Teacher: Mrs N Moran BA (Hons)

*Accomplishment... Humility... Service...*

Dear parents/carers,

In the month of October, along with UK charities, we look to raise awareness of breast cancer and to raise a donation for breast cancer charities supporting those in treatment, as well as their families.

Therefore, on Friday 14th October, we invite your son (students in Years 7-11) to wear an item of pink clothing alongside his school uniform, and to donate £1 as a minimum donation. Items of clothing might include: a tie, scarf, shirt, socks etc. This will be set up on SCOPay so there will be the option of making a payment online.

For those in sixth form, we encourage your son/daughter to wear pink and to attend our quiz, which will take place in the sixth form centre on Friday lunchtime.

All proceeds raised will be donated to Breast Cancer Care.

Indeed, it is a time to come together as a community and to give back to the wider community around us, considering our value of service.

We hope your son/daughter will be able to support this and look forward to seeing splashes of pink around Hutton next week!
