and Sixth Form

Head Teacher: Mr M L Bradshaw BA (Hons) NPQH

Accomplishment... Humility... Service...

18th Jan 2023

Dear parent / carer

The Geography department has organised a visit to United Utilities, this will complement our topic on Water, as well as providing an insight to apprenticeships and the workplace. Students will leave school at 9.00 and return by 3.05. The visit will be at United Utilities, Davy Hulme, Trafford Way, M17 8DD. This will take place on Thursday 23rd February.

Students are allowed to wear their own clothes, but for health & safety requirements, they should wear long trousers and a suitable top for being outdoors. They should also wear sensible footwear to ensure a steady footing at all times. Students are reminded that they are still representing the school and impeccable behaviour is expected at all times.

Lunch is being provided by United Utilities on the day, please let us know of any specific requirements on the below slip or please know that you can bring your own lunch if you prefer.

Miss Monaghan will be accompanying pupils on this visit and the mini bus will be driven by another member of staff. Unfortunately, Miss Monaghan is not First Aid qualified but we will use the support available at United Utilities should the need arise.

The cost of the visit will be £12.50. This will cover the cost of the minibus and staff. Please pay ASAP on Scopay to secure your place.

Could the reply slip below please be completed and returned to Miss Monaghan, along with the attached Medical Form. Students will not be able to attend if we do not have the completed Medical Form.

If you have any questions, please do not hesitate to contact me.

Yours faithfully

Miss Monaghan

Geography Teacher

I confirm that can attend the **Sixth Form Visit at United Utilities** on Thursday 23rd February.
