

# HUTTON CHURCH OF ENGLAND GRAMMAR SCHOOL NEWSLETTER MAY 2026

Student achievements  
beyond the classroom

Food Preparation and  
Nutrition practical work

Year 11 and Year 13  
Leavers' Celebrations

## Dear Parents, Guardians and Friends of Hutton,

As we continue to grow together as a school community, our school scripture, "In your relationships with one another, have the same mindset as Christ Jesus," continues to be lived out in our community. These words encourage us to show kindness, humility and compassion in all that we do.

Our school value of Koinonia – fellowship, community and shared belonging – has been especially evident in recent weeks. We were delighted that our recent Ofsted inspection was an incredibly positive experience, with inspectors describing our pupils and students as "a credit" to our school. This recognition reflects the hard work, character and mutual support shown across our whole community each day. The full inspection report will be shared with families as soon as it is published.

I continue to be impressed by, and proud of, all that happens at Hutton. From the commitment shown through The Duke of Edinburgh's Award programme, to the vast array of sporting successes, and the inspiring charity work led by our pupils and students, there is so much to celebrate. These experiences help to shape confident, compassionate young people who contribute positively to the wider community.

Today, we also say a formal goodbye to our Year 11 students. Whilst many will remain with us for a further two years, today marks the last time we will all be together at St Andrew's in this phase of their journey. I am incredibly proud of the way they have conducted themselves throughout their time with us – they have shown maturity, resilience and a real sense of community. We wish them every success as they move forward into the next stage of their education and life beyond school.

Recently, we also said a sad farewell to our Year 13 students. As they complete their examinations and prepare to embark on an exciting new chapter into adulthood, I would like to wish them every success they so richly deserve. They leave Hutton with many wonderful memories, friendships and achievements, and we look forward to seeing all that they accomplish in the future.

Thank you to our pupils, staff, governors and families for the part you play in creating such a caring and aspirational school community where everyone is valued and encouraged to flourish together.

Enjoy a restful break.

Nicola Moran  
Headteacher

## Sad Passing of Former Pupil

We were saddened to hear of the passing of one of our former pupils, Henry Shields, who was known as Harry during his time at Hutton. Harry was a valued member of our school community from 2014 to 2020.

He is fondly remembered by those who taught him. Our thoughts and condolences are with his family and loved ones during this difficult time.

## OFSTED Inspection

Ofsted inspectors visited the school on 6th and 7th May, spending two days meeting with pupils and staff, visiting lessons and seeing school life in action.

We were very pleased to receive positive feedback from the inspectors, and our pupils were a real credit to the school throughout the process.

We look forward to sharing the full outcome with you in due course. Thank you to all the parents who completed the parental feedback and sent their support and good wishes during the inspection.

## Number Day Quiz

On Wednesday 20<sup>th</sup> and Thursday 21<sup>st</sup> May, teams of 4 from Year 7 to 10 forms competed in maths challenges to celebrate National Numeracy Day.

The winners for each year group were:

- Year 7: Pearson
- Year 8: Fleetwood
- Year 9: Walton
- Year 10: Hines

Well done to all of the boys who competed!

Above - 7R Below - overall winners, 10H

## Student achievements beyond the school curriculum

We've had an amazing half term celebrating the achievements of our pupils and the passions they pursue beyond the school day. If you have any stories you would like to share, please send them to [head@huttongrammar.co.uk](mailto:head@huttongrammar.co.uk).

Well done to Thomas Yr 10 (above), who has been named Diver of the Year at Southport Scuba Club.

Congratulations to Easa N, Yr 11 (above) on winning Muay Thai Amateur World Open 2026 Tournament for his weight and age category! We are so proud of his efforts and dedication.

Ethan Yr 11 (above), continues to excel as the captain for the Lancashire schools football team. The team came out winners of the ESFA National inter county cup, with Ethan scoring one of the two goals.

Jayden Yr 11 (left) and his team Preston City FC were crowned winners of the U16 JPL National Cup, becoming national champions after an outstanding 2-0 victory in the final at Wigan Athletic Stadium - a fantastic achievement and a brilliant way to end their junior football journey.

We are always keen to support our pupil's passions. Parents wishing to take their children out of school for similar activities should let us know by completing our [leave request form](#).

## Year 10 Non Exam Assessment

Our Year 10 Food Preparation and Nutrition pupils have been busy completing the practical elements of their course, with a Mediterranean theme inspiring a fantastic range of dishes. From vibrant salads to perfectly prepared kebabs, everything has looked delicious. Well done to all the pupils involved for their creativity and effort!

## UKMT Maths Challenge

**UK Maths Trust**

On Wednesday 28<sup>th</sup> January Mr Scrivener's year 10 class took part in the UKMT Intermediate Maths Challenge. 23 boys achieved a certificate, placing them in the top 50% of all entrants. Aiden received a Gold certificate which placed him in the top 8% of all entrants and earned him a place in a further competition, the Pink Kangaroo, where he achieved a Silver certificate. This is a huge achievement and one he should be very proud of!

On Wednesday 29<sup>th</sup> April, the top sets in Year 7 and 8 took part in the UKMT Junior Maths Challenge. 31 boys achieved a certificate, placing them in the top 50% of all entrants. Joshua was the only year 7 student to achieve a Gold certificate and should be very proud of himself! Congratulations also go to Owen, Zac, Jonathan and Edward in year 8, who also achieved a Gold certificate with Owen, Zac and Jonathan earning places in the Junior Kangaroo which takes place in June. This is a fantastic achievement, and the maths department are very impressed. Well done to all pupils who achieved a certificate and good luck to the boys in the next round!

## Duke of Edinburgh Bronze Award

This term, 37 Year 9 pupils successfully completed their Bronze Duke of Edinburgh's Award expeditions. After a practice camp in April, where pupils developed their navigation and campcraft skills, everyone travelled to Waddecarr for their qualifying expedition on a sunny weekend in May.

Over the course of two days, all teams completed their walking routes, coped with a very cold overnight camp, and cooked all of their own meals. Throughout the expedition, the boys demonstrated excellent resilience, teamwork, and determination, overcoming a range of challenges along the way.

The weekend was a fantastic achievement for everyone involved, and the pupils should be extremely proud of the commitment and positivity they showed from start to finish. Congratulations to all participants on completing their Bronze DofE expedition.

## Year 11 Garden Party

Ahead of their exams, our Year 11 pupils enjoyed the opportunity to celebrate together at our Year 11 Garden Party. With pizza provided by Craft and Crust, an assault course, sports activities and music, it was a wonderful way to mark the end of this chapter and wish them well for the weeks ahead.

Thank you to all the staff who helped organise and support the event. We hope it was a memorable and enjoyable afternoon for Year 11, giving them a chance to relax and spend time together before the exam season begins.

## Twinkl Community Collection

Here are some of our librarians with the books purchased using the £100 awarded through the Twinkl Community Collection. Although we were not selected as the £1,000 winner, in our application we highlighted the need to update the books in our library and were delighted to receive a £100 National Book Token, which has been used to purchase new books for our students to enjoy.

## County Athletics Championships 2026

Students from Hutton delivered an outstanding set of performances at the Lancashire Athletics Championships. Demonstrating great commitment, resilience and talent against some of the county's strongest young athletes.

In the Under-18 category, Ben R continued his excellent form, becoming county champion in both discus and hammer, alongside a second-place finish in the shot put. Sam C also impressed, securing silver in the hammer. In the Under-20 age group, Jacob Fisher represented the school superbly, earning bronze medals in both the 100m and 200m.

Among our younger athletes, Reuben H competed brilliantly in the Under-14 1500m, finishing 12th. There were also strong performances from Lukas S and Oscar M, who finished 6th and 7th, respectively. Huw C achieved a new personal best of 38.9 seconds in the 300m heats.

We were also delighted to see former student and 2025 ESAA finalist Josh Smith continue his impressive progress, finishing 4th in the 400m before becoming county champion in the 800m - a fantastic achievement and a source of great pride for the Hutton community.

We are incredibly proud of all the students who represented the school so positively. Their success reflects not only their hard work and dedication, but also the strong sporting culture at Hutton and the support of families, coaches and staff who help them thrive.

## Lancashire Golf Team Results

Some of our keen golfers represented Hutton at the Lancashire Schools Golf Tournament held at Darwen Golf Club last Friday. Competing against 36 teams from schools across Lancashire and the surrounding areas, our students performed brilliantly in a highly competitive field, with the top two teams narrowly securing places in the national finals.

Although we just missed out on qualification, our teams achieved some excellent results:

- 4th place – Team B (Dylan M, A, Brook W) with 75 points
- Joint 6th place – Team A (Oliver W, F) with 74 points
- Joint 6th place – Team C (Samuel K, Regan C, Noah Ws) with 74 points

A particular congratulations goes to Frankie I, who finished an outstanding 2nd overall in the individual standings. We are incredibly proud of all the students who represented Hutton so well.

Above - Frankie I

Left (left to right) - Noah W, Regan C, Samuel K, Brook W, Oliver W, Frankie I and Dylan M

## School Games Gold Award

We are delighted to have been awarded the School Games Gold Award, recognising the events and opportunities Hutton provides for local primary schools through our Young Leaders programme. This award reflects the commitment and enthusiasm shown by so many across our school community.

In particular, thank you to our PE department for their hard work in building strong partnerships with local primary schools and organising such valuable events. We would also like to thank our pupils, who generously give up their time to support and lead these activities - a wonderful example of the Hutton spirit.

## Year 7 Topography Maps

Well done to our Year 7's Geographers who built Topography maps. The maps were judged by Mr McKeand and Miss Monaghan with Lister, Henry, Dexter and Jacob (above) being shortlisted. Lewis (far left pupil) was chosen by Mrs Moran as the winner

## HGSA News

The Hutton Grammar School Association (HGSA) has had another busy and successful half term. We enjoyed taking part in the Hutton Fete, where our stall featured football activities and a popular wire game, and we also held our annual plant and jigsaw sale in partnership with Newgate Nurseries, offering bedding plants and more. Thank you to everyone who supported these events.

Behind the scenes, the HGSA has also been working hard to improve the school's gym facilities. The condemned equipment has now been removed and sold for parts, and we are currently awaiting confirmation of a grant to help us replace it with new, modern equipment for students to enjoy.

## End of Year Trips - 9<sup>th</sup> July

All year groups will be out for their end of year trips of Thursday 9<sup>th</sup> July. Parents and guardians need to pay or make their donation for these via SCOPay by 29<sup>th</sup> May.

# Hutton Sixth Form News

## Geography Fieldwork in the Lake District

Year 12 geography students went to the Lake District as part of their A Level course. They enjoyed an informative talk at Brockhole on Windermere, then were able to carry out fieldwork techniques at Grasmere. A lovely day!

Next term, students will be heading to Ainsdale and Liverpool to continue their field work.

## Q&A with Paul Foster MP

Our Year 12 students recently had the opportunity to take part in a Q&A session with Paul Foster. They asked a range of thoughtful and insightful questions, which he answered openly and honestly, offering a particularly candid perspective on the role of an MP and life at Westminster.

Paul praised our sixth formers for being conscientious, politically astute and for asking some excellent questions. It was a valuable opportunity for students to engage directly with politics and gain a greater understanding of public service and leadership.

## Duke of Edinburgh Gold Award

Our Year 12 DofE Gold students will complete their practice expedition from 12th–14th June, followed by their final expedition from 2nd–5th July. Good luck to everyone involved!

## Ben represents England in Germany

Congratulations to Ben (Year 12), who has proudly represented England Athletics in Germany at his first international competition. This achievement is a testament of Ben's hard work, dedication and commitment.

We are incredibly proud of all Ben has achieved and look forward to following his continued success. Well done, Ben - everyone at Hutton is behind you.

## Year 12 End of Year Trip

12 students have been invited to attend Blackpool Pleasure Beach on Monday 13th July. This is an excellent opportunity for them to celebrate the end of term and recognise all their hard work throughout the academic year.

## GCSE Reach Higher Evening

On the 22nd April we held our GCSE Reach Higher evening, for our prospective Sixth Form students. Our Year 12 students did an excellent job leading the evening. They shared advice on revision techniques, managing exam stress, supporting high achievement, and gave valuable insight into what life in the sixth form is really like.

## Work Experience Reminder

From 6th-10th July, our Year 12 students will be taking part in work experience placements. Students are responsible for arranging their own placements, but anyone who is finding this difficult can speak to Miss Yule, who is available to offer support.

Work experience is a valuable opportunity for students to develop important skills and gain practical experience, helping to strengthen their CVs ahead of university applications, apprenticeship interviews and future employment.

## Farewell to Year 13!

Our Year 13 students finished their timetabled lessons on Friday 8th May, marked by a special final assembly to celebrate their time at Hutton and wish them well for the future.

We were delighted to welcome Ian and Bob from the OHA, who spoke about the school's traditions and recognised the students who helped organise the archive. Thank you also to Rev. Tom for his thoughtful reflections on belief and what students will miss about their time in the sixth form.

Our Head Boy and Head Girl, Jonathan and Sadie, shared memories of their time at Hutton, while Taylor T was presented with the Reading Scholarship Award, receiving £250 in vouchers for Blackwell's University Bookshops.

The day ended with a student vs staff rounders match on the back field in the sunshine - a perfect way to celebrate before exams began.

## Year 11 & 13 Dinner Balances

Year 11 & Year 13 pupils are reminded to use up any remaining balance on their SCOPay dinner account, when in for exams. Any outstanding balance will either be passed onto sibling accounts or refunded (amounts over £2) from September.

## Free Toast for Year 11 and Year 13

To support our Year 11 and Year 13 pupils during their exam period, we will be offering free toast each morning to help ensure everyone starts the day fuelled and ready to do their best.

## End-of-Year Attendance Reminder: Every Day Counts!

As we move toward the end of the school year, thank you for your continued support. This is an important learning period, and strong attendance remains essential.

### Why Every Day Matters

- Students continue learning new skills.
- Teachers review essential concepts to prepare students for the next grade.
- Classrooms engage in hands-on projects, assessments, and collaborative activities.
- Daily routines help students stay connected, confident, and ready for the transition ahead.

### Benefits of Strong Attendance

- Helps students finish the school year on a high note
- Strengthens academic and social connections
- Reduces stress by avoiding missed lessons and assignments
- Builds lifelong habits that support future success

### Thank You for Supporting Attendance

- We understand schedules become busy as summer approaches.
- Your efforts to ensure your child attends school every day make a meaningful difference.
- If your family needs any support with attendance, we are here to help.

Thank you for helping your child finish the year strong!

## Term Dates for 2026-27

Our term dates for the next academic year are available now via our website [here](#).

## Summer Exams 2026

We have completed the first 2 weeks of exams, with Year 11 and Year 13 working hard and arriving early for revision classes. Remember the exam contingency date is the 26<sup>th</sup> June and both year groups need to be available up to and including this date.

[View the full timetable here.](#)

# Old Huttonian Association

## Thanks for the Memories

Regular readers of the 'Huttonian' newsletter will be well aware that the Old Huttonian Association has been trying to tackle the significant volume of material currently stored in the roof spaces of the former headteacher's house- now the Performing Arts block - loosely described as 'The Archives'. The work to assess, collect, organise, preserve and provide access to these records and archives of long-term value suffered from limited and sporadic visits from committee members; that is until the sixth formers became involved. Under the watchful eye of former Deputy Head Ian Rawsthorne (himself a dearly cherished archive of the human type) and Chair of the OHA, a team of willing students came together to inject their wonderful enthusiasm into the project and the work began in earnest. Much has been achieved already and the team has also engaged with experts from the Lancashire County Records office to offer advice going forward. There is much still to do but for now, the OHA would like to thank the 'upper sixth' team for their huge commitment in transforming the 'dumping ground' into something to be proud of. They have begun the work to preserve the memories for future generations of 'Huttonians'. The baton has been handed to the lower sixth members to 'continue the history'.

Pictured; The 'Archivists' – left to right Hollie S, James S, Chase W, Elizabeth C and Taylor T, having received their OHA ties in recognition and appreciation of their contribution to the project

## An extract from the 1936 Christmas edition of "The Huttonian"

From "OLD HUTTONIAN,"

An account of his trip to the Game Reserve, S. Africa, in June of this year.

We entered the Reserve at Pretorius Kop about 11 a.m. All the Reserve is bush veld and swarming with all sorts of game. There are lots of notices written in English and Dutch—"Stay in your car," "Beware of crocodiles," etc. Nevertheless, I got out wherever possible to photograph game, and some of the photos I am enclosing.

We went first to Skukuza for lunch, and that is the biggest of the camps. The river runs down one side and it is all barricaded in, of course. The last time my friends were there a lion came up from the river in the night and walked up and down between the tents and actually drank out of a water bucket!

Then we pushed on to Satera, a much smaller camp, where we spent the night. We (there were four of us) had two rondavals (round thatched huts), and each has an open fireplace outside. We had a native boy to do our washing-up, etc., but we did our own cooking. When we turned in about 9-30, I was not awakened by lions and jackals, although the others were. Next morning, after breakfast, we set off to Letaba. We had lunch at Olifant's River, near a native kraal. We were thus in real "elephant" country, but did not see any, although there was a big notice up, "Beware of Elephants." On the way we had been seeing all sorts of game—mostly impala and wildebeeste, with an occasional giraffe.

We got to Letaba about 3 o'clock, and then set off on a tour looking for elephants, but although we heard them in the distance we did not see any. Then back to supper and sat up late round the camp fire. This was our furthest northerly point.

Next morning we motored back to Skukuza, 150 miles, and were fortunate in seeing three lions in the thick grass, about a hundred yards from the track; also lots of giraffes, zebra, and ostriches. That night we heard the roaring of lions in the distance.

## "Continuing the History"

# Old Huttonian Association

Next day we went to Pretorius Kop after a very interesting run of about 150 miles. All the roads are just narrow tracks with thick bush on each side. If another car meets you, you may have to drive into the bush. Often herds of game run alongside the car or across the road in front. Early next morning we went a drive round and came across two lions eating a wildebeeste they had just killed. The people in a previous car had seen the whole kill! This camp is much more open than the others, and you can see herds of zebra, wildebeeste and impala feeding all around on the hillsides. Impala are all over the place—you almost fall over them; they are beautiful animals, like small deer. Then to Crocodile Bridge Camp for our final night in the Reserve. Here I met the wife of a ranger who had been mauled by a lion a few days before, but luckily was alive to tell the tale.

Next morning we went across the Crocodile River by punt, and out of the Reserve to Komatipoort, and via Barberton to Middelburg and Witbank. It rained a lot on the road, but I got a chance of seeing the really marvellous scenery round Barberton. We spent the night in Witbank, and were back at Johannesburg at 12 noon on the following day. It was a grand trip and one which I shall not forget in a hurry, and it cost me only £5 for the week!

## Old Huttonians Reunion Dinner 2026

Our next OHA Reunion Dinner will take place on 26th September 2026, and we are looking forward to welcoming former students back to Hutton for what promises to be a wonderful evening.

All former students are warmly invited to attend, whether they have joined us before or are considering coming for the first time, and guests are very welcome too.

Further details about the event will be shared soon. In the meantime, if you are interested in joining the OHA, please follow the link below to complete our membership form:

## PARENT/CARER CONSULTATIONS

We offer a free and confidential service supporting children and young people, aged 5-18, with mild to moderate emotional health and wellbeing needs. We work with schools and colleges throughout Chorley, South Ribble, Preston and West Lancs.

Are you the parent/carer of a young person who is experiencing mild to moderate anxiety or low mood?

This could look like:

FEELING  
WORRIED

STRUGGLING  
TO  
SLEEP

WITHDRAWAL  
FROM FAMILY,  
FRIENDS  
AND/OR USUAL  
ACTIVITIES

STRUGGLING TO  
CONCENTRATE

TEARFUL

IF ANY OF THE ABOVE SOUNDS LIKE YOUR CHILD/YOUNG PERSON WE CAN HELP!

If your young person attends one of our 63 schools we can offer a consultation with one of our friendly practitioners.

They can offer you advice, guidance and signposting to support you to support your child/young person.

To complete our consultation form Scan our QR Code or type in the web address below into your web browser.

## ✦ Calling young people across Lancashire!

Feeling overwhelmed? You're not alone and we're here to help. ❤️👂

Our short video introduces our upcoming **Online Worry Management Group**, where you'll learn:

- 🧠 What worry actually is
- 👂 Why we all experience it
- 💡 Simple, practical tools to manage it when it starts taking over

Whether you're dealing with school stress or just feel like your thoughts are running a bit too fast, this is a calm, supportive space to build confidence and feel more in control. 🌱

💬 Watch the video to see if this group feels right for you.

📺 Watch here ➡ <https://youtu.be/mWbWi6bgFTo>

To join, you'll need to:

- ✓ Be able to access sessions online via Microsoft Teams
- ✓ Commit to 6 weekly sessions (Monday or Wednesday, 4-5pm)
- ✓ Not have accessed 1:1 sessions with us previously

If this sounds like something you'd like to be part of, have a chat with your parent/carer and ask them to complete our online referral form:
