What is my child doing online?

Risks your child may face online

As with the real world, there are risks online and it's important that you teach your child how to navigate them.

In school

Pupils are taught Online Safety in Computing lessons:

- How to use technology responsibly
- Cyberbullying
- Online stranger danger
- What to share online (safe profile pages)
- Digital footprint (think before you post!)
- Digital literacy (effective searching of the internet)
- Viruses, hacking and security

Security Settings - Facebook

This video shows you how to change your privacy settings on Facebook:
